- b. The sponsor's authorized representative must execute the grant, followed by the attorney's certification, no later than **September 15, 2015**, in order for the grant to be valid. The date of the attorney's signature must be on or after the date of the sponsor's authorized representative's signature.
- c. You may not make any modification to the text, terms or conditions of the grant offer.
- d. After you properly execute the grant agreement:
  - Return the executed Grant Agreement marked "Original" and a copy to us via US mail or commercial courier.
  - Retain the copy marked "Sponsor" for your records.
- e. **Because time is now critical for entering the executed grant into the FAA system, we request you send a copy of the signed agreement to our office by facsimile or email (pdf document) to (Rusty.Nealis@faa.gov) prior to sending the hardcopy document through U.S. mail or commercial courier.**

Subject to the requirements in 2 CFR §200.305, each payment request for reimbursement under this grant must be made electronically via the Delphi eInvoicing System. Please see the attached Grant Agreement for more information regarding the use of this System.

Please note Grant Condition No. 4 requires you to complete the project without undue delay. We will be paying close attention to your progress to ensure proper stewardship of these Federal funds. **You are expected to submit payment requests for reimbursement of allowable incurred project expenses in accordance with project progress.** Should you fail to make draws on a regular basis, your grant may be placed in "inactive" status which will impact future grant offers.

Until the grant is completed and closed, you are responsible for submitting formal reports as follows:

- A signed/dated SF-270 (non-construction projects) or SF-271 or equivalent (construction projects) and SF-425 annually, due 90 days after the end of each federal fiscal year in which this grant is open (due December 31 of each year this grant is open); and
- Performance Reports are due within 30 days of the end of a reporting period as follows:
  1. Non-construction project: Due annually at end of the Federal fiscal year.
  2. Submit Quarterly Performance Reports at the end of each fiscal quarter.

As a condition of receiving Federal assistance under this award, you must comply with audit requirements as established under 2 CFR part 200. Subpart F requires non-Federal entities that expend \$750,000 or more in Federal awards to conduct a single or program specific audit for that year. Note that this includes Federal expenditures made under other Federal-assistance programs. Please take appropriate and necessary action to assure your organization will comply with applicable audit requirements and standards.

Once the project(s) is completed and all costs are determined, we ask that you close the project without delay and submit the final closeout report documentation as required by the Atlanta Airports District Office.

Rusty Nealis at (404) 305-6710, is the assigned program manager for this grant and is readily available to assist you and your designated representative with the requirements stated herein. We sincerely value your cooperation in these efforts and look forward to working with you to complete this important project.
