Walterboro City Council
Regular Meeting
May 10, 2011

MINUTES

A Regular Meeting of Walterboro City Council was held at City Hall on Tuesday, May 10, 2011 at 6:15 P.M. with Mayor Bill Young presiding.

PRESENT WERE: Mayor Bill Young, Council Members: Dwayne Buckner, Randy Peters, Charles Lucas, Ted Parker, Franklin Smalls and Tom Lohr. City Manager Jeff Lord, City Clerk Betty Hudson and City Attorney George Cone were also present. There were approximately 16 persons in attendance at the meeting.

Mayor Young called the meeting to order. The invocation was led by Council Member Smalls, followed by the Pledge of Allegiance led by Council Member Lohr.

PUBLIC INPUT ON AGENDA ITEMS:

Former Mayor Charlie Sweat commented on agenda item number 5 under New Business - Consideration of Highway 64 Landscape Plan Submitted by the Appearance Board. He asked if this item would be put before the general public for discussion and comment. Mayor Young noted that Council would address that concern when it is considered on the agenda.

Requests for Appearance:

1. **Mr. Pedon B. McLeod** appeared before Council asking them to consider making North Walter Street a two-way street instead of a one-way street. He stated that 40 years ago, Council made a mistake in making North Walter Street one-way. He said, I happened to be sitting on Council at that time next to Mr. Thomas Berry. Courtland Rizer was very opposed to us making that street one way. He urged Council to change this. He stated, I also have a slight personal interest. I happen to own the Enterprise Hardware Building. He stated, I came to see the City Manager about making this street two way and he said that plans had been drawn up and that I needed to talk to the landscape architect. I talked to Mr. Todd Theodore of Woods + Partners and he stated they had considered in their studies to make Walter Street a two way street.

Mr. McLeod gave an option that the parking spaces and the two planters be offset, so that traffic goes around the planters. Mr. McLeod pointed out that he had spoken with someone about purchasing the Enterprise Hardware Building and the first thing they were concerned about was that Walters Street was a one-way street. Mr. McLeod stated that he had spoken with every business owner on Walter Street and none were opposed to making it a two-way street. Mr. McLeod told Council that Ms. Hodges, one of the business owners, had requested that Council send a police vehicle down Walter Street from time to time. Mr. McLeod stated that he did not feel there would be a high cost for eliminating the two planters proposed for the street and to allow two-way traffic.

Mayor Young entertained a motion to accept Mr. McLeod's comments as information. Said motion was made by Council Member Lucas, seconded by Council Member Peters to accept Mr. McLeod's comments as information. In discussing the motion, Councilman Smalls asked Mr. McLeod if there were a number of stores that had closed since Walters Street became a one-way street. Mr. McLeod stated that he would be glad to go back and count the number of stores that are empty now, however, at the time the street was made a one-way, there were no stores closed at that time. The motion then passed unanimously.

APPROVAL OF THE MINUTES:

The Minutes of the April 12, 2011 Public Hearing and Regular Meeting and the Minutes of the April 26, 2011 Public Hearing and Regular Meeting were approved as

submitted on the motion of Council Member Buckner, seconded by Council Member Lucas and passed unanimously.

OLD BUSINESS:

There was no Old Business before Council.

NEW BUSINESS:

1. Acceptance of Resignation of Barbara Kim Miller as City Prosecutor

A motion was made by Council Member Lucas to accept the resignation of Barbara Kim Miller as City Prosecutor with regret. Council Member Smalls seconded the motion that passed unanimously. Mayor Young requested that a letter be sent to Mrs. Miller expressing the City's thanks for her service.

2. Request to Use the Downtown Plaza for Gospel Singing Events on Sundays: May 22, June 26 and August 28 by Kim Lee

After a concern raised by Council Member Buckner, Council agreed to allow Ms. Kim Lee to use the downtown plaza on May 22 and June 26, and to allow her to return at a later date to request use of the plaza for the August 28 event. Council Member Buckner felt that reservations to use the downtown plaza should be made a month at a time and not three months ahead of time. A motion approving the use of the plaza by Ms. Kim Lee for a Gospel Singing Event on May 22 and June 26 was made by Council Member Buckner, seconded by Council Member Lucas and passed with all members voting in favor, except Council Member Parker voted against the motion for approval.

3. Request to Use the City Parking Lot for Community Action Day Event on May 27, 2011 by Lowcountry Community Action Agency (LCAA)

After a review of a letter submitted by Ms. Arlene Washington of LCAA, a motion granting the use of the City Parking Lot to LCAA for a Community Day Event on May 27, 2011 was made by Council Member Buckner, seconded by Council Member Smalls and passed unanimously.

4. Consideration of Highway 64 Landscape Plan Submitted by the Appearance Board

City Manager Jeff Lord briefed Council on this agenda item. He reported that this was presented two weeks ago to Council from the Appearance Board. Staff has looked at it. There are a few concerns regarding irrigation and power lines. He stated, if Council wanted to do something out there, it could be something on two areas, like using the planters we already have at the Padgett Loop area or perhaps out just beyond Robertson Boulevard. That is something we could do, probably just within the right-of-way.

A motion was made by Council Member Buckner to accept the Highway 64 Landscape Plan Submitted by the Appearance Board. Council Member Smalls seconded the motion. In discussing the motion, Council Member Smalls asked if the city limits question has been cleared up. City Manager Lord responded that the city limits does extend just beyond that intersection. The bigger question is power lines and the availability of irrigation. Mayor Young asked, do we have any idea about the availability of the sites that are being recommended, whether or not we can use those sites. Who is going to pay for it. Will the City Appearance Board pay for it or does it need to be in the budget? Mr. Lord responded that it was his understanding that the City Appearance Board would raise the money. Mayor Young then raised a question on whether or not the property owners would allow use of the proposed

MINUTES/Page III

land. Council Member Buckner responded, we were advised to get the approval first before we start writing letters to the property owners. After talking with Mr. Lord, we were looking at trying to do this in small phases. The first phase would be the ability to put it out there without asking any property owners, but using the right-of-ways that are already present. Then, slowly over a course of time, implement the entire project.

City Manager Lord then said, if you were to build upon the improvements you already have, you have the right-of-ways for doing that.

Council Member Peters asked if staff had met with the City Appearance Board to find out exactly what we have to do. I rode out there and looked at it and if I have read the plan correctly, there is a lot of covenant and work that needs to be done. Has staff met and made any suggestions on it? City Manager Lord responded that staff had met with Mr. Buckner and asked "would this be implemented by staff or would this be contracted out". He said, I do not believe we have the capacity to implement this. It is intended that this will be paid for by monies raised by the City Appearance Board. Mr. Buckner responded, the City Appearance Board wants to raise as much funds as it can, plus whatever help we can get from the City, so everybody has a stake in this.

Council Member Peters, then asked, do we have the funds to maintain it? City Manager Lord added, if this project was implemented completely, then we would need to budget it.

Mayor Young then suggested that we have staff look at this project and come back with a plan that takes into consideration the irrigation, the power lines and the acquisition of land in cooperation with the plan that you have submitted. It is hard to accept a plan when there are so many questions.

Further discussion was held, after Council Member Buckner withdrew his motion with the approval of the second made by Council Member Smalls.

Mayor Young then entertained a motion to refer this agenda item to staff to consider all the infrastructure items and locations related to the Highway 64 Landscape Plan. Council Member Peters made said motion, and Council Member Parker seconded the motion. The motion passed unanimously.

5. Consideration of Rescheduling or Cancellation of May 24, 2011 City Council Meeting

Due to the City's General Election being held on May 24, a motion was made Council Member Lucas to cancel the May 24 regular meeting, but if there is a need to hold a meeting, a meeting would be called. Council Member Buckner seconded the motion that passed unanimously.

COMMITTEE REPORTS:

No committee reports were given.

The Mayor then entertained a motion to enter into an executive session. Council Member Lucas so moved to enter an executive session. Council Member Parker seconded the motion. The Mayor announced that the meeting would enter an executive session for a discussion of negotiations incident to proposed contractual arrangements.

The meeting then convened into an executive session.

BE IT ORDAINED BY THE MAYOR AND CITY COUNCIL OF THE CITY OF WALTERBORO, SOUTH CAROLINA, IN COUNCIL DULY ASSEMBLED, AS FOLLOWS:

ARTICLE I

FINDINGS OF FACT

Section 1.01 Findings and Recitals.

As an incident to the adoption of this ordinance (this “**Ordinance**”) and the issuance of the Bond (as hereinafter defined), the City Council of the City of Walterboro, South Carolina (the “**Council**”), the governing body of the City of Walterboro, South Carolina (the “**City**”), finds that the facts set forth in this Article exist and the statements made with respect thereto are in all respects true and correct.

1. The City is a municipal corporation of the State of South Carolina (the “**State**”) located in Colleton County, South Carolina, and as such possesses all general powers granted to municipal corporations.

2. Article X, Section 14 of the Constitution of the State of South Carolina, 1895, as amended (the “**Constitution**”), provides that cities may incur general obligation bonded indebtedness upon such terms and conditions as the General Assembly may prescribe by general law subject to the following limitations: (i) such debt must be incurred only for a purpose which is a public purpose and a corporate purpose for a city; and (ii) unless excepted therefrom, such debt may be issued in an amount not exceeding eight percent of the assessed value of all taxable property of such city (the “**Bonded Debt Limit**”).

3. By virtue of Chapter 15 of Title 11 and the provisions of Section 11-27-40, Code of Laws of South Carolina, 1976, as amended (together, the “**Refunding Act**”), the City may issue refunding bonds to such extent as the City shall be indebted by way of principal, interest and redemption premium upon any outstanding general obligation bonds, maturing or called for redemption, less all sinking funds and other moneys on hand applicable thereto at any time, but not sooner than one year from the date the outstanding bonds fall due or have been called for redemption.

4. Under present market conditions, the City has determined that it will achieve interest cost savings by the issuance of a refunding bond and use of the proceeds therefrom to redeem the outstanding principal amounts due on its originally issued \$1,000,000 General Obligation Bond, Series 2003 dated December 30, 2003, the redemption premium due and the costs of issuance related thereto (the “**Refunded Bond**”).

5. By effecting the redemption of the Refunded Bond through the issuance of the bond authorized hereunder and by the Refunding Act, the South Carolina Supreme Court has recognized that “the exchange of new obligations for the old does not add to the existing debt.” See Williams v. Rock Hill, 177 S.C. 82, 180 S.E. 799 (1935), rev’d on other grounds by Babb v. Green, 222 S.C. 534, 73 S.E.2d 699 (1952). Therefore, under the rule set out in Williams, debt issued by the City

for the purpose of refunding the Refunded Bond, and thus reducing the annual debt service payable by the City, does not create additional debt of the City subject to the Bonded Debt Limit.

6. By virtue of Chapter 21 of Title 5 and the provisions of Section 11-27-40, Code of Laws of South Carolina, 1976, as amended (together, the “**Enabling Act**”), the City may issue general obligation bonds for any “authorized purpose” as therein defined.

7. The Council, after due investigation and deliberation, has determined that it is necessary to issue general obligation debt in an amount not exceeding \$2,000,000 of the City to defray a portion of the costs associated with (a) the purchase of a ladder fire truck and related equipment, (b) improvements to the City’s parks and recreational areas ((a) and (b) are collectively referred to herein as the “**Project**”), (c) a current refunding of the Refunded Bond, and (d) issuance costs of such general obligation debt. It is presently estimated that the costs of the Project, the cost of refunding the Refunded Bond and the costs of issuance of such general obligation debt authorized herein, will not be in excess of \$2,000,000.

8. The assessed value of all taxable property in the City for the year 2010, which is the last completed assessment thereof, excluding property subject to a fee-in-lieu of *ad valorem* property taxes, amounted to \$26,108,737 and thus the debt limit presently amounts to the sum of \$2,088,699. The City presently has no bonded indebtedness chargeable against this limit, and therefore, the City presently is permitted to issue the principal amount of \$2,088,699 (the “**Debt Limit**”) of general obligation debt. The Debt Limit is in excess of the anticipated not exceeding \$2,000,000 amount intended to be borrowed by the City under this Ordinance and under the provisions of Section 14 of Article X and the Enabling Act, and therefore the City may borrow such money without the necessity of holding a referendum.

9. In connection therewith, the Council has determined to issue general obligation debt of the City in an amount not to exceed \$2,000,000 to finance the costs of the Project, to redeem the Refunded Bond, and to provide for the payment of the cost of issuance thereof. The Project and redemption of the Refunded Bond constitute authorized purposes within the meaning of the Enabling Act and the Refunding Act.

(a) The Bond shall be executed in the name and on behalf of the City by the manual or facsimile signature of an Authorized Officer, with its corporate seal impressed, imprinted or otherwise reproduced thereon, and attested by the manual signature of its City Clerk or other Authorized Officer (other than the officer or officers executing the Bond). The Bond may bear the manual signature of any person who shall have been such an Authorized Officer authorized to sign the Bond at the time such Bond was so executed, and shall bind the City notwithstanding the fact that his or her authorization may have ceased prior to the authentication and delivery of the Bond.

(b) The Bond shall not be valid or obligatory for any purpose nor shall it be entitled to any right or benefit hereunder unless there shall be endorsed on the Bond a certificate of authentication in the form set forth in this Ordinance, duly executed by the manual signature of the Registrar, and such certificate of authentication upon any Bond executed on behalf of the City shall be conclusive evidence that the Bond so authenticated has been duly issued hereunder and that the Holder thereof is entitled to the benefit of the terms and provisions of this Ordinance.

Section 3.05 Transferability and Registry.

The Bond shall at all times, when the same is Outstanding, be payable to a Person and shall be transferable only in accordance with the provisions for registration and transfer contained in this Ordinance and in the Bond. So long as the Bond remains Outstanding, the City (acting through the City Clerk of the City), as Registrar, shall maintain and keep at its administrative office books for the registration and transfer of the Bond and, upon presentation thereof for such purpose at such office, the City shall register or cause to be registered therein, and permit to be transferred thereon, under such reasonable regulations as it may prescribe, such Bond.

Section 3.06 Transfer of the Bond.

The Bond shall be transferable only upon the books of the Registrar, upon presentation and surrender thereof by the Holder of the Bond in person or by his or her attorney duly authorized in writing, together with a written instrument of transfer satisfactory to the Registrar duly executed by the registered Holder or his or her duly authorized attorney. Upon surrender for transfer of the Bond, the City shall execute, authenticate and deliver, in the name of the Person who is the transferee, a new Bond of the same principal amount and maturity and rate of interest as the surrendered Bond. Such new Bond shall reflect the principal amount thereof as then yet unpaid.

Section 3.07 Regulations with Respect to Exchanges and Transfers.

The Bond surrendered in any exchange or transfer shall forthwith be cancelled by the Registrar. For each such exchange or transfer of the Bond, the Registrar may make a charge sufficient to reimburse itself for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer, which sum or sums shall be paid by the Holder requesting such exchange or transfer as a condition precedent to the exercise of the privilege of making such exchange or transfer. The City shall not be obligated to issue, exchange or transfer the Bond during the 15 days next preceding any (a) Bond Payment Date, or (b) date upon which the Bond will be redeemed, if any.

Section 3.08 Mutilated, Destroyed, Lost and Stolen Bond.

(a) If the Holder surrenders a mutilated Bond to the Registrar or the Registrar receives evidence to its satisfaction of the destruction, loss, or theft of the Bond, and there is delivered to the Registrar such security or indemnity as may be required by it to save it harmless, then, in the absence of notice that the Bond has been acquired by a bona fide purchaser, the City shall execute and deliver, in exchange for the mutilated Bond or in lieu of any such destroyed, lost, or stolen Bond, a new Bond of like tenor, maturity, and interest rate bearing a number unlike that of such mutilated, destroyed, lost, or stolen Bond, and shall thereupon cancel any such mutilated Bond so surrendered. In case any such mutilated, destroyed, lost, or stolen Bond has become or is to become due for final payment within one month, the City in its discretion may, instead of issuing a new Bond, pay the Bond.

(b) Upon the issuance of any new Bond under this Section 3.08, the City may require the payment of a sum sufficient to cover any tax, fee, or other governmental charge that may be imposed in relation thereto and any other expenses, including counsel fees or other fees, of the City or the Registrar connected therewith.

(c) Each new Bond issued pursuant to this Section in lieu of any destroyed, lost, or stolen Bond, shall constitute an additional contractual obligation of the City, whether or not the destroyed, lost, or stolen Bond shall at any time be enforceable by anyone, and shall be entitled to all the benefits hereof equally and proportionately with the Bond duly issued pursuant to this Ordinance.

(d) The Bond shall be held and owned upon the express condition that the foregoing provisions are exclusive with respect to the replacement or payment of the mutilated, destroyed, lost, or stolen Bond and shall preclude (to the extent lawful) all other rights or remedies with respect to the replacement or payment of the mutilated, destroyed, lost, or stolen Bond or securities.

Section 3.09 Holder As Owner of the Bond.

In its capacity as Registrar, the City may treat the Holder of the Bond as the absolute owner thereof, whether the Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the Bond Payment on the Bond and for all other purposes, and payment of the Bond Payment shall be made only to, or upon the order of, such Holder. All payments to such Holder shall be valid and effectual to satisfy and discharge the liability upon the Bond to the extent of the sum or sums so paid, and the City shall not be affected by any notice to the contrary.

Section 3.10 Cancellation of the Bond.

The Registrar shall destroy the Bond when the same shall be surrendered to it for cancellation. In such event, the Bond shall no longer be deemed Outstanding under this Ordinance and no bond shall be issued in lieu thereof.

Section 3.11 Payments Due Saturdays, Sundays and Holidays.

In any case where the Bond Payment Date shall be a Saturday or Sunday or shall be, at the place designated for payment, a legal holiday or a day on which banking institutions are authorized by law to close, then payment of the Bond Payment need not be made on such date but may be made on the next succeeding business day not a Saturday, Sunday or a legal holiday or a day upon which banking institutions are authorized by law to close, with the same force and effect as if made on the Bond Payment Date and no interest shall accrue for the period after such date.

Section 3.12 Tax Exemption in South Carolina.

The interest on the Bond shall be exempt from all State, county, municipal, school district, and all other taxes or assessments of the State, direct or indirect, general or special, whether imposed for the purpose of general revenue or otherwise, except inheritance, estate, transfer or certain franchise taxes.

Section 3.13 Order to Levy Ad Valorem Taxes to Pay Principal and Interest of the Bond.

For Bond Payments on the Bond as the same become due and for the creation of such sinking fund as may be necessary therefor, the full faith, credit, and taxing power of the City are hereby irrevocably pledged, and there shall be levied an ad valorem tax upon all taxable property located within the City sufficient to pay the Bond Payments until the Bond is no longer Outstanding. Such levy shall be reduced to the extent that, at the time the amount of annual millage levy for the debt service is set, the City has available other amounts for the payment of amounts due on the succeeding Bond Payment Date and has deposited the same into the sinking fund established for the payment of the Bond Payment.

Section 3.14 Form of the Bond.

The form of the Bond and registration provisions to be endorsed thereon, shall be substantially as set forth in **Exhibit A** attached hereto and made a part of this Ordinance.

Neither the purchaser nor Holder of the Bond shall be liable for the proper application of the proceeds thereof.

DEFEASANCE OF BOND

Section 7.01 Discharge of Ordinance - Where and How the Bond is Deemed to Have Been Paid and Defeased.

If the Bond and the interest thereon shall have been paid and discharged, then the obligations of the City under this Ordinance and all other rights granted hereby shall cease and determine. The Bond shall be deemed to have been paid and discharged within the meaning of this Article under each of the following circumstances, viz.:

(1) a third party fiduciary, which shall be any bank, trust company, or national banking association which is authorized to provide corporate trust services (the "*Fiduciary*"), shall hold, in trust and irrevocably appropriated thereto, sufficient moneys for the payment of all Bond Payments due thereunder; or

(2) if default in the payment of the Bond Payment due shall have occurred on any Bond Payment Date, and thereafter tender of such payment shall have been made, and at such time the Fiduciary shall hold in trust and irrevocably appropriated thereto, sufficient moneys for the payment thereof to the date of the tender of such payment; or

(3) if the City shall elect to provide for the payment of the Bond prior to its stated maturity and shall have deposited with the Fiduciary, in an irrevocable trust, moneys which shall be sufficient, or Government Obligations, the principal of and interest on which when due will provide moneys, which together with moneys, if any, deposited with the Fiduciary at the same time, shall be sufficient to pay when due the Bond Payment due and to become due, together with any redemption premium applicable thereto.

Neither the Government Obligations nor moneys deposited with the Fiduciary pursuant to this Section nor the Bond Payments thereon shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the Bond Payments and redemption premium, if any, on the Bond; provided that any cash received from such principal or interest payments on Government Obligations deposited with the Fiduciary, if not then needed for such purpose, shall to the extent practicable be invested and reinvested in Government Obligations maturing at times and in amounts sufficient to pay when due the Bond Payments and redemption premium, if any, to become due on the Bond on and prior to the Bond Payment Dates thereof, and interest earned from such reinvestments not required for the payment of the Bond Payments and redemption premium, if any, may be paid over to the City, free and clear of any trust, lien or pledge.

ARTICLE VIII

CERTAIN TAX AND DISCLOSURE CONSIDERATIONS

Section 8.01 Covenants to Comply with Requirements of the Code.

The City acknowledges that it has on-going responsibilities with respect to the Code and the preservation of the tax-exempt status of the Bond. The City hereby represents and covenants that it will comply with all requirements of the Code and that it will not take any action which will, or fail to take any action (including, without limitation, filing the required information reports with the Internal Revenue Service) which failure will, cause interest on the Bond to become includable in the gross income of the Holder thereof for federal income tax purposes pursuant to the provisions of the Code and regulations promulgated thereunder in effect on the date of original issuance of the Bond. Without limiting the generality of the foregoing, the City represents and covenants that:

1. All property provided by the net proceeds of the Bond or refinanced with the net proceeds of the Bond will be owned by the City in accordance with the rules governing the ownership of property for federal income tax purposes.

2. The City shall not permit the proceeds of the Bond or any facility financed or refinanced with the proceeds of the Bond to be used in any manner that would result in: (a) ten percent (10%) or more of such proceeds being considered as having been used directly or indirectly in any trade or business carried on by any natural person or in any activity carried on by a person other than a natural person other than a governmental unit as provided in Section 141(b) of the Code; or (b) five percent (5%) or more of such proceeds being considered as having been used directly or indirectly to make or finance loans to any other party other than a governmental unit as provided in Section 141(c) of the Code.

3. The City is not a party to nor will it enter into any contracts with any Person for the use or management of any facility provided with or refinanced with the proceeds of the Bond that do not conform to the guidelines set forth in Revenue Procedure 97-13.

4. The City will not sell or lease the Project or any property provided by or refinanced by the Bond to any Person unless it obtains the opinion of nationally recognized bond counsel that such lease or sale will not affect the tax exemption of the Bond.

5. The Bond will not be federally guaranteed within the meaning of Section 149(b) of the Code. The City is not a party to any leases or sales or service contracts with any federal government agency with respect to the Project or any property financed or refinanced by the Bond and will not enter into any such leases or contracts unless it obtains the opinion of nationally recognized bond counsel that such action will not affect the tax exemption of the Bond.

Section 8.02 Ability to Meet Arbitrage Requirements.

Careful consideration has been given to the time in which the expenditures of the proceeds of the Bond authorized hereby will be made, and it has been ascertained that all of the money received from the proceeds of the Bond will be expended within the limitations imposed by Section 148(c) of the Code, so that the Council will be able to certify upon reasonable grounds that the Bond is not an “arbitrage bond” within the meaning of Section 148(c) of the Code.

Section 8.03 Continuing Disclosure.

Pursuant to Section 11-1-85 of the Code of Laws of South Carolina, 1976, as amended (“**Section 11-1-85**”), the City covenants to file with a central repository for availability in the secondary bond market when requested:

- (a) An annual independent audit, within thirty days of the City’s receipt of the audit; and
- (b) Event-specific information within thirty days of an event adversely affecting more than five percent of revenue or the City’s tax base.

The only remedy for failure by the City to comply with the covenant in this Section 8.03 shall be an action for specific performance of this covenant. The City specifically reserves the right to amend this covenant to reflect any change in Section 11-1-85 without the consent of any Bondholder.

Section 8.04 Qualified Tax-Exempt Obligation.

The City expects to issue no tax-exempt obligation in calendar year 2011 which, along with the Bond, would aggregate more than \$10,000,000. Accordingly, the Bond is hereby designated as a “qualified tax-exempt obligation” within the meaning of Section 265(b)(3)(B) of the Code.

[End of Article VIII]

ARTICLE IX

MISCELLANEOUS

Section 9.01 Savings Clause.

If any one or more of the covenants or agreements provided in this Ordinance should be contrary to law, then such covenant or covenants or agreement or agreements shall be deemed severable from the remaining covenants and agreements and shall in no way affect the validity of the other provisions of this Ordinance.

Section 9.02 Successors.

Whenever in this Ordinance the City is named or referred to, it shall be deemed to include any entity which may succeed to the principal functions and powers of the City, and all the covenants and agreements contained in this Ordinance or by or on behalf of the City shall bind and inure to the benefit of said successor whether so expressed or not.

Section 9.03 Ordinance to Constitute Contract.

In consideration of the purchase and acceptance of the Bond by those who shall purchase and hold the same from time to time, the provisions of this Ordinance shall be deemed to be and shall constitute a contract between the City and the Holders from time to time of the Bond, and such provisions are covenants and agreements with such Holders which the City hereby determined to be necessary and desirable for the security and payment thereof. The pledge hereof and the provisions, covenants, and agreements herein set forth to be performed on behalf of the City shall be for the benefit, protection, and security of the Holders of the Bond.

Section 9.04 Filing of Copies of Ordinance.

Copies of this Ordinance shall be filed in the offices of the City Clerk of the City and in the office of the Clerk of Court of Common Pleas and General Sessions of Colleton County, South Carolina (as a part of the Transcript of Proceedings for the Bond).

Section 9.05 Further Action by Officers of City.

The proper officers of the City are fully authorized and empowered to take the actions required to implement the provisions of this Ordinance and to furnish such certificates and other proofs as may be required of them. In the absence of any officer of the Council herein authorized to take any act or make any decision, the City Clerk is hereby authorized to take any such act or make any such decision.

Section 9.06 Effective Date of Ordinance.

This Ordinance shall take effect upon its second reading and shall be forthwith codified in the Code of City Ordinances.

6	Anson Construction	\$116,842.00
7	Green Construction	\$153,955.00

The available grant funding for this project is \$113,428.57. After the engineering expense is paid, there is approximately \$103,000.00 for construction. Based on our investigations, it appears that each of these contractors has the experience and resources to complete the project.

Re: Lemacks, Valley and Springwood Drive Water System Improvements

The City of Waltherboro accepted bids for the above Water System Improvements on May 26, 2011. A total of 7 bids were received. These ranged from a low of \$198,515.00 to a high bid of \$394,890.00.

1	C & W Construction	\$198,515.00
2	J. H. Hiers Construction	\$215,226.95
3	BES	\$285,834.65
4	James F. Pedersen	\$290,025.25
5	L-J Inc	\$290,318.00
6	Green Construction	\$358,226.40
7	Anson Construction	\$394,890.00

The low bid was submitted by C & W Construction. We have worked with this contractor in the past and feel that they have the capability and resources to complete this project.

The low bid is approximately \$23,000.00 over the available grant funding and budgeted funds for this project. We recommend that we move forward with the project and use program income fund monies to pay the balance.

Dear Mayor Young:

The Lowcountry International Society, Inc. has re-scheduled the event which you chose not to consider at your first meeting in April. We are planning a joint-venture with the Artist Guild for Saturday, August, 27 which will be named The International Food and Arts Festival. This event will be larger than the one previously planned, therefore we are requesting use of the City Parking Lot from 10 AM until 7 PM which includes time for set-up and clean-up. We will also provide music at the event, which will feature the Paris Island Marine Corp Band which has already confirmed the above date, and two other musical groups yet to be booked. We would appreciate you taking this request under consideration at your next scheduled meeting and notifying us of your decision or you can call me at 549 2600.

Yours very truly,

Leddy Smith, President
Lowcountry International Society, Inc.
